Keter Perry - Full Stack Developer

Tel: 050-7744085, Email: keterav@gmail.com, **GitHub, LinkedIn**

After a long career as an experienced and dedicated English lecturer in which I have demonstrated outstanding proficiency in colleges, high schools, and elementary schools for over ten years in both formal and informal education, I have resolved on making a career change, studying programming. I hold a Master's Degree and a Bachelor's Degree (Hons) in English Linguistics, and I am now seeking a Full Stack Developer position.

EDUCATION

2022   **Full Stack Developer** -Bootcamp-Appleseeds, Intensive 6-months, 720 hours training program that encourages self-led learning and group projects that simulate real-world development teams. Applying front and back skills.

- **Mid Project**: The project depicts a textbook store that was built as part of my dream to help kids improve their English-speaking skills and currently constitutes the basis for upcoming English workbooks. Technologies used: **HTML, CSS , React**, Demo Cod
- **Final Project:** This project is all about food, a site for all food fans (like me) in which they can talk and share their knowledge of food. Technologies used: **HTML, CSS, React, Node.js, Express, MongoDB**, **Socket.io, MUI**, Final Project
